**(A National Body of the Retired Civilian Employees of the Federal Government)**

No. CRC/A/2019

dated: 22 May, 2019

**Subject: ACTIVITIES OF EXECUTIVE COMMITTEE OF AWRP**

Dear Member,

It will be satisfying for you that Executive Committee, overwhelmingly elected by you, is making all-around efforts for the welfare of the pensioners as will be vouched by some of the following important steps taken during the past four months.

**1. Meeting with MOS for Parliamentary Affairs:**

A delegation of AWRP, headed by Mr. Manzur Hussain, President, had a meeting with Mr. Ali Muhammad Khan, Minister of State for Parliamentary Affairs on March 15, 2019 in his office to discuss various problems faced by the retirees such as de-freezing of medical allowance, annual increase in pension keeping in view price spiral in every day's commodities, enhancement of family pension from 75% to 100%, special additional pension, grant in aid for AWRP, ICT Senior Citizen Bill etc. Minister was very receptive and gave patient hearing to the submissions of the AWRP. He wrote a letter to then then Finance Minister Mr. Asad Umar, enclosing therewith proposals of AWRP (copy enclosed) and also requesting therein to accord an audience to AWRP delegation and he intended to accompany the delegation. We are vigorously pursuing the matter with the concerned authorities.

**2. Payment of Group Insurance to the retirees of Federal Govt:**

The matter is presently sub-judice in the Islamabad High Court and due to keen interest of present Executive Committee the early hearing of case has been approved and case has been fixed for hearing on 17<sup>th</sup> June 2019 before the single bench of Mr. Justice Aamer Farooq, Islamabad High Court. Prima-facie our case is strong.

**3. Increase in amount of Common Benefits provided by FEB&GIF:**

The Establishment Division and Federal Employee Benevolent & Group Insurance Fund (FEB&GIF) were approached to increase the amount of marriage and other grants to retired/serving employees. In response they have intimated that increase of amount on account of marriage and some other grants is under consideration and will be evaluated by recently appointed 'Actuary' who has started the work. Further action will be taken in the light of recommendations of the afore said Actuary. The Association is seized with the matter.

**4. Celebration of Pensioners Day:**

The Cabinet Division was approached by the EC to earmark one day in a year as "Pensioners Day" to bring this marginalized community in the main stream and create awareness about their various problems among people and govt. agencies. That Division has forwarded our request favourably to the Ministry of Finance who too have no objection to it. Shortly necessary orders/notification will be issued in this respect. This, in fact, is a big achievement and would help advance the cause of welfare of retirees.

**5. Panel arrangements for discount on medical facilities to AWRP Members:**

The Executive Committee approached two new hospitals namely Shafi Medical Complex (SMC) Rawalpindi and Pakistan Air Force (PAF) Hospital, Islamabad for provision of discounted medical facilities to our members. They have agreed to our request. These hospitals have been added to the list of other hospitals giving discount to AWRP members (copy enclosed).

**6. Rebate from Shifa International Hospital:**

Some members brought to the notice of EC that Shifa International Hospital Islamabad is not providing enough rebate to the AWRP. The EC decided that a delegation of EC headed by its President Mr. Manzur Hussain would hold a meeting with the authorities of Hospital to resolve the issue. Accordingly, the delegation called on Dr. Manzoor H. Qazi, CEO of Shifa International Hospital Islamabad on May 4, 2019. The meeting was held in a very cordial atmosphere and they were quite accommodating. We are expecting a favorable outcome about which you will be informed in due course.

The above are some of the activities of EC which we deem fit to share with you. We will keep you abreast of our endeavors made towards the achievement of goals of the Association. In the end we look towards your support and best wishes to strengthen our resolve.

Thanks and regards.

(Saifullah Khan)
