

Dear Member,

Subject: **Construction of Diamer Basha and Mehmand Dams.**

Sir,

We are quite sure that you are fully aware of the serious water crisis the country is currently passing through. Those who have expertise in the water resources and its management forewarn that if the situation persists unabated the country is likely to turn out to be water starved. The menace is looming large over the head of the nation and for that matter it is to be addressed on war footing bases failing which we will reach a point of no return and that situation will be a disastrous.

2) The remedy of the matter lies in the conservation and proper management of available water resources. Obvious as it is, in order to salvage the problem we have no option but to construct the new water dams. The task is undoubtedly colossal involving stupendous funds which the Govt. in view of severe budgetary crunch might not be able to afford.

3) Fortunately, God Almighty has given us a man in Honourable Chief Justice, Mian Saqib Nisar, Of Supreme Court Of Pakistan, who has not only taken cognizance of the matter but has girded up his loin to resolve the issue. He has appealed to the nation to make financial contribution for this noble cause. To start with two dams namely Diamer Basha and Mehmand shall be constructed. The response from the public is encouraging beyond all hopes.

4) While we are mindful of your financial hardships being retired person but we also know that you are the person who has given his prime of life and the blood to the nation during service. This encourages us to request you to join hands in the endeavors of the Honourable Chief Justice, who has set the ball rolling in a very transparent manner, by contributing your bid. The Supreme Court of Pakistan will oversee the funding aspect and its utilization. Additionally, we also take this opportunity to further request you that kindly motivate your relations and friends to participate in this campaign.

5) Finally, the National Bank of Pakistan accepts donations at its branches in A/N 414941314.

With Regards,

(Ali Asghar Awan)
